

Etude

Octaves

Measures 1-8: This system contains fingerings for measures 1 through 8. Each measure is represented by two vertical columns of circles, with black circles indicating the left hand and white circles indicating the right hand. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.

Measures 9-17: This system contains fingerings for measures 9 through 17. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.

Measures 18-26: This system contains fingerings for measures 18 through 26. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.

Measures 27-35: This system contains fingerings for measures 27 through 35. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.

Measures 36-44: This system contains fingerings for measures 36 through 44. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.

Measures 45-53: This system contains fingerings for measures 45 through 53. A treble clef staff is positioned below the fingerings, showing the corresponding musical notes and accidentals for each measure.
